The bins in the gallery are an excellent way to show off and sell your work. The bins are available for viewing whenever the gallery is open and in addition there will be times when the bins are taken to other venues to enhance our display booth and increase the opportunity to sell members' work.

Paintings should be properly matted and protected in a professional manner.

Each piece should include the artist's name and FMBAA number, along with the price. Submit a list of the paintings displayed along with the prices, artist name, FMBAA number and phone number. This list is to be placed in the desk book. The commission will be taken from the price listed.

Bins will be shared with other artists.

You may not sign up for consecutive display periods. This will give all members an opportunity to sell their work.
